

SCA Judging Services Request Form

Please fill in the below form as an official request for SCA Judging Services for the competition you will be hosting. Requests will be granted on a first come, first serve basis.

Please refer to the [SCA Judging Policy](#) for a detailed description of requirements, which includes pricing for judges and score sheet fees. This manual is available online at www.sca.ca, under Events: Hosting an SCA Sanctioned Competition.

It is your responsibility as the competition host to fully read and understand the terms in the SCA Judging Policy, including extra costs for judges mileage and accommodations, should the host require out of town judges to stay overnight at the competition location.

Panel Information:

Cheer: The SCA recommends two judges for building and tumbling and one judge for overall scoresheets per panel, however it is not a requirement. For large (>30 routines) competitions, two safety judges and two administrators are **mandatory**. Also, a host can choose to run one panel with one judge per scoresheet and the second panel with two judges per scoresheet. Please indicate if you would like one or two judges.
